Centre for Education Growth and Research Organised **Second Summit on Education Alliances** on 21st September 2022 in Hotel Eros, New Delhi. During the Summit MOU Signing was Inaugurated by **Padma Shri Mr. Ramesh Sippy**, Renowned Indian Filmmaker, Director, Producer, and Educationist and **Ms. Kiran Juneja**, Indian Actress.

AKS University takes immense pride in our collaboration in the Summit where we duly signed a Memorandum of Understanding with 41 universities like DY Patil International University, Pune, ISBR Business School, Bengaluru, RAI University, Ranchi, Collpoll Pvt.Ltd, Noida, International School of Design, New Delhi, Media & Entertainment Skill Council, New Delhi, and many more universities for holistic development of students in both the participating universities and institutions.

The main objective of the summit was to motivate and facilitate Indian Academic Institutions to collaborate with other Academic Institutions in India for short-term certificate programs, faculty exchange, student exchange, sharing of academic resources and information, and participation in events and conferences. This will help in boosting a skill-ready and employable workforce for India

During this summit, over 10000 aligned academicians, corporate & researchers, regulators from AICTE & UGC, 80 Vice Chancellors from various regions of India along with leading industrialists were present. The best brains in the countries were under one roof to brainstorm on the ideas to boost the education sector in India.

During the summit, AKS University was recognized with the award for Best Private University in Central India, and Our Pro-Chancellor cum Chairman Er. Anant Ku. Soni was invited to talk on hindrances and upliftment of private universities in rural regions in a Round Table Discussion. His ideas and thoughts were well received and the summit was undoubtedly a success under his able leadership along with the efforts of Dr. Kausik Mukherjee -Head, FMS, and Mr. Avinash Mishra -Marketing Head along with other faculty members, students, and staff.

We truly appreciate the initiative taken by CEGR and look forward to being part of more such events to bridge the gap between academics and corporates.
